## Ecodesign Requirement for External Power Supply

Directive 2009/125/EC

COMMISSION REGULATION (EU) 2019/1782

Per (EU) 2019/1782, Article 2(1)(f) Annex I,2; only the 24W\* External Power Supply (EPS) for SonicWall's Small Office Home Office (SOHO product series) are intend for domestic environment and in scope. All other EPS provided by SonicWall are for SonicWall ITE products that are not intended for use in domestic environments and out of scope of COMMISSION REGULATION (EU) 2019/1782.

All SonicWall products are required to be "high availability" connected EPS at all times and no low power or sleep mode is applicable. All EPS sold as separate items, are intended to be used only with the SonicWall product per the document provided with each power supply.

Rating per Commission Regulation (EU) 2019/1782 are below.

* In Scope	SKU below are out of scope; end products are not intended for domestic environments.
